

Vice-President

The role of Vice-President can be filled by a nominated person from the Sibford Old Scholars Association (SOSA) Committee or wider SOSA Membership. A nominated person must be elected at the AGM, with a majority vote, by those present.

As the next person to hold the role of President, this is your opportunity to learn the ropes for your upcoming tenure as President of SOSA.

Length of term

1-year term, running from September 1st to August 31st.

Roles and responsibilities

Attend SOSA Committee meetings.

Attend the AGM and Reunion.

The role of Vice-President is to step in and represent SOSA, when/where possible, at a variety of functions including the annual Reunion, AGM's, Committee meetings, School events (when/where appropriate) and Old Scholar funerals (when/where appropriate), if the President is unavailable.

It is important to remember that the Committee works as a team and not in silos. All members of the SOSA Committee are there to help and assist each other with any and all tasks, always.

Commitment

Since and during Covid-19 restrictions, the Committee have embraced technology and have had more meetings using video calls. We understand that people's time is precious and suggest that moving forward we have a combination of these meetings:

4 Video conference meetings per year dependent on circumstances

3 meetings at Sibford School per year dependent on circumstance

Attendance where time allows of events including Annual Reunion, annual football match and any other event that may take place.
